

Mission Statement

To be recognised as a centre of excellence for the provision of surveying and mapping services.

Values

HONESTY

we are committed to honesty in dealing with employees, clients and sub-contractors.

INTEGRITY

we strive to do what is right in all our actions in particular the maintenance of confidentiality in all our client relationships

RESPECT

we are considerate and respectful to all our employees, clients and sub-contractors.

QUALITY

We are committed to delivering the highest quality of service to our clients

SAFETY

we hold the safety of our employees on site core to our business.

Vision

our vision is to be respected for the quality and value we deliver to our clients through our survey teams.

Company Philosophy

We strive to:

Exceed our customers' expectations for quality, responsiveness and professional excellence on every project at a fair price

Create successful partnerships with our clients that foster trust, commitment and communication by putting customer interests first, before, during and after the contract.

Use the power of Teamwork and our collective skills and experience to provide a service that adds value for our clients.
