With your help over £235,000 in sponsorship and a further £42,000 in gift aid was raised in 2011. Over £130,000 of funding, including a cheque for £15,900 to Barrow and District Disability Association (BDDA), was distributed at an awards night in Forum 28 Barrow on November 29th 2011. In all over 240 charities and good causes received donations. For a full list please visit <http://www.keswick2barrow.co.uk/charities.asp?ID=533>

Stuart Godden, Engineering and Commissioning Director at BAE Systems Submarine Solutions presents the largest amount ever donated by the Walk committee to Margaret Burrows MBE. Margaret of the BDDA was rather surprised to receive this cheque. This funding will allow the BDDA to start work in the new year on a refurbishment of their offices in School street without needing any additional funding.

2012 Walkday

2012 Walkday is confirmed as May 12th for the Keswick 2 Barrow (K2B) and Coniston 2 Barrow (C2B) Walks (Note: Entries for the K2B will be subject to an event limit). Runners participating in the K2B will start at 5:30 AM with the K2B start remaining open for the rest of the walkers until 6:30 AM. The C2B start at Coniston Sports and Social Club will be open from 8:00 AM until 8:30 AM.

2012 Registration

Team registration for both the K2B and C2B will open on at noon on January 16th 2012. Please be aware that the K2B and C2B are team events, with the team size being between 6 and 12 people. To help your team co-ordinator complete team registration as quickly as possible we recommend that, if you haven't already done so, you register as a member now at http://www.keswick2barrow.co.uk/walker_register.asp

By registering you will be allocated a unique MemberId which can be used year on year and will make your Team Co-ordinator's work much simpler as all they need to do during registration is to input your MemberId. If your MemberId is entered into the team then you will also be able to make use of the On-Line sponsorship page to fundraise.

As, in past years, team registration is an extremely busy period for the K2B and C2B Registration Team, We will do our best to process your team as quickly as possible. During team registration we undertake background checks on team members for non-payment in previous years and non return of timing tags.

Fundraising

Please note **only** the Team Co-ordinator can nominate the beneficiaries of the team's fundraising efforts. Further information on this is available at <http://www.keswick2barrow.co.uk/charities.asp?ID=543>
