

Preface

Praise and thanks to God, because we can finish the activity its report for year 2007. STTCP 2007 Annual Report is representing as first annual report since Sumatran Tiger Trust Conservation Program was beginning. We very compliment to all party, for their aid and support so that the activity which have been started on MOU 2002-2007 can be continued in this program.

In this opportunity, we render our biggest thanks, especially for our friends from WWF IP, thanks for cooperation and belief. Also thank to all of authority handle, especially Head of Bukit Tigapuluh National Park (BTNP) Bureau therewith the staff, Head of Way Kambas National Park (WKNP) Bureau therewith staff, Forestry Official Duty of Riau Province Agriculture, Plantation and Forestry Official Duty of Dumai Town Forestry Official Duty of Rokan Hilir Regency and also Head of Nature Resource Conservation Big Bureau of Riau Province (BBKSDA Riau) and staff. Thank and appreciation profusely we submit to Mr. Jusman (Lead of Dumai Resort of BBKSDA Riau) for his high dedication as leader of tiger translocation moment. Our thanks and salute to Pak Haji of Mualim from Rokan Hilir. Thank also we submit to all party, community, governmental and the private sector which partake to support activity of conservation of Sumatran tiger.

Do not forget our thanks to Mr. Effendi Sumardja who given suggestions and motivates; and also thanks awfully to our friend Mr. Philip Wells for his suggestion and aid. Finally to all field staff, who'd work hard together in the middle of forest. Also thank you very much to Mr. David S. Gill for his belief to give fund for all conservation activity which we do.

Hopefully this report can good for, and we expect comment, criticize, suggestion and also support from all party to increase our activity, specially the conservation sector in the future.

Wassalam
Muhammad Yunus
