

Could you take a charity collection box for the STT?

Did you know in 2002 a whole sub species of tiger became EXTINCT?

The South China Tiger no longer exists in the wild! South Lakes Wild Animal Park; Dalton In Furness, Cumbria, North West England is the headquarters of the international charity the Sumatran Tiger Trust. A charity working throughout Sumatra who are determined the remaining 350 wild Sumatran tigers will not go the same way.

Do you wish to support us in our crusade?

We have just received a delivery of charity collection boxes, which we could supply for you to display in your business. Ideally we would love these to be placed in say for example your staff/public canteen to hopefully gain the maximum exposure. If you are interested in helping or could tell someone else who may be interested then the STT would be extremely grateful.

The collection will go in its entirety **without** any deductions for administration costs towards the purchase of essential, diverse equipment- including remote cameras; fast boats; and to also fund the operation of Tiger conservation teams and anti-poaching patrols along with other community projects. Full details of the trust and the work it does out in Sumatra can be found on our website www.tigertrust.info.

Why do we need your help?

Without the support of individuals who are prepared to actively encourage others to assist us financially when they obviously become aware of the problems wild Tigers face we would not be able to fund projects such as the Way Kambas National Park and without initiatives such as this Tigers would face certain extinction. This year it is particularly important that we attract more funds, and this can only be done by encouraging more people to donate **cash!**, in fact we hope to double our income, because not only have the Sumatran Government reissued our permits to continue our work in Way Kambas for a further 10 years but also the expansion of the project into Bukit Tigapuluh National Park and the new tiger sanctuary at Doumi.

What do I have to do next?

Your box would be supplied with full accounting procedures and a poster to help you promote your collection and every time you pay into our account you will receive an updated certificate to acknowledge your support.

For further information or answers to questions please contact us at info@tigertrust.info Your support is greatly appreciated, but we must stress that the box, the time, cost of publicity and administration does not come out of your collection it is donated by the directors and staff of South Lakes Wild Animal Park.
