

# ***RENEWABLE ENERGY***

## **Grants for Manufacturing, Marketing & Design**

**FURNESS**  
enterprise  
partnership

**Companies with a commitment to developing new market opportunities in the Renewable Energy Industrial sector are now eligible for discretionary grant aid.**

If you have a project, to 'tool up' to service this sector, or wish to produce market information, attend an exhibition or develop a product - this scheme is for you. Support takes the form of up to 20% of project costs.

For an application form please call **01229 820611** today

Alternatively call in at our office on Furness Business Park, Barrow
